Aero Performance Products, Inc. Announces Filing of Quarterly Report

Issued Wednesday, November 19, 12:54 am ET

Company reports increased sales over previous year for fourth consecutive quarter

BLUFFDALE, UT--(BUSINESS WIRE)--Nov. 19, 2008--Aero Performance Products, Inc. (OTC BB: AERP), which operates Aero Exhaust, Inc., a world leader in performance exhaust airflow technology and NASCAR Performance Partner, has filed its quarterly report on Form 10-Q for the period ended September 30, 2008 with the Securities and Exchange Commission.

The complete 10-Q filing can be found by clicking the "View SEC Filings" link on the company website, www.aeroperformanceproducts.com.

Revenue from the sale of Aero Exhaust for the quarter increased 23% over the same period last year, and expenses for the quarter were reduced by nearly 50%.

Including the quarter reported in this 10-Q, Aero has experienced revenue growth in every quarter since it became public through an acquisition transaction in October 2007. Sales of Aero Exhaust products for each of the fiscal quarters increased over the same period the previous year.

"The sales growth over the previous year and further reduction of expenses reported for the quarter continues our track record of improved financial performance as we develop Aero Performance Products as a public company," commented Chief Executive Officer Bryan Hunsaker. "We have now recorded four consecutive quarters of increased sales as compared to the same periods for the previous year. Our goal is to continue this growth in 2009, as we seek to increase the supply of Aero Exhaust product made available to the company's worldwide distributors."
